Federal Signal releases new Commander™ COMFL Blue Forklift LED Safety Light

Federal Signal is pleased to announce the release of the Blue Forklift LED safety light to the Commander™ Series product line. The COMFL Blue Forklift LED safety light is ideal for alerting pedestrians and other vehicles that forklifts are approaching. The safety light projects an intense steady blue beam onto the floor surface. Multiple lights can be mounted to the front, back, and sides of the forklift or vehicle to provide additional warning.

FEATURES

- Die-cast aluminum housing with polycarbonate lens
- (2) 5W blue LEDs
- Includes U-bracket for easy installation
- Compact design – approximately 3.0" deep and 3.8" wide
- 10-80 VDC
- Two-year warranty
